

Community Cleanup Crew

Community Cleanup Crew

The Court has established this initiative to serve as a sentencing alternative that not only holds individuals accountable for their actions, but provides them an opportunity

to make our communities a better place. Whether its cleaning up along our roadways, working side-by-side with neighborhood volunteers at a community garden, or clearing a senior citizen's driveway, those that complete their community service will contribute something that is both beneficial and constructive – and they will have paid their debt to society using their own time and talent.

Participants must report to the 8th floor to complete the intake process .

Detailed instructions will be provided including scheduling service dates and required fees.

(\$10.00 money order required to schedule)

Program Contact Information

Contact Person: LeighAnne Ward

Location: 375 S. High St., 8th Floor

Phone Number: 614-645-2785

Work Days/Times: see website

Participant Guidelines

- Participants will perform labor-intense work and therefore must be able to work for several hours with minimal breaks.
- Participation is limited to individuals with non-violent criminal histories.
- Failure to report for and satisfactorily complete the assigned tasks, shall be grounds for dismissal from the work site and/or program.
- Inappropriate conduct shall result in removal from the project area and the case will be referred to the assigned judge for further action.
- Excessive tardiness may result in no or reduced service credit.
- The Court and its work sites are smoke-free areas.
- All workers shall wear the provided safety and identification items.

General Instructions

All participants will report to Courtroom 15A no later than 9:00am on the specified dates.

Dress/clothing must be appropriate for the weather - work will be outdoors and for extended periods of time.

Individuals may bring a sack lunch and non-alcoholic drinks.
